in- or on-ground
installation speakers
for garden**

BGAR

GARDEN INSTALLATION SPEAKERS

Bring the subtle nuances of your favorite music to life in outdoor environments where wall mounting is not an option. Just hide the weatherproof loudspeakers between plants and people will wonder where that great sound is coming from. Because of their inconspicuous look they are also the ideal solution for gardens, recreation of theme parks or swimming pools.

We'll tell you not fairy tales, we can show you only enjoy it. Ask our sales team about it!

- 360-degree sound coverage for our widest outdoor speaker coverage
- In- or on-ground installation for landscape speaker or patio speaker placement
- Engineered to withstand snow, sun, rain, ice and saltwater spray
